WICHITA MARKETS

Receipts of Live Stock at the Union Stor Yards during the past 24 hours-3 39 Cattle, 602 Hogs, and for the week j' 1st closed 1672 cattle, 95 calves and

There were more Texas cattle at the vards but were not on sale. There was a moderate supply of native, and was composed largely of stock steers. Ther e were a few head of butcher's cows and heifers which sold fairly well. There seer as to be some trouble with the buyers toda; gasthey were very slow to take hold, and wanted stuff at their own price. The Chi cago and Kansas City markets were bot' a lower on nearly all grades. T he feeling here was weak at the close.

The supply of hogs was fair for closing day but the quality averaged rather poor. The week's supply falls short of last week about 300 head. The ma sket has ruled strong and closes 7%@10 cet. as higher than one week ago. The buyers did not take hold very active and salesme r, worked hard to turn the stock at prices o 'noted. Heavy hogs were in active demay ,d for Mexico trade and sold for the high set price of any grade. There was quit e a run of pigs among the offerings. The are was a good demand, bulk selling at \$ 3.30 to \$3.35. The Chicago market was I ligher and Kansas City closed weak.
